e-mail: [myk@BigLoaf.com](mailto:myk@BigLoaf.com)

tel: 01978-823000

Advance Park, Wrexham, LL14 3YR, UK

In addition to our main website we run a dedicated internet presence for people who use the Bakery and it is located at:

<http://www.BakeryPeople.com>

Unashamed self-promotion, this website provides a platform for our customers to promote their art, skills and if they are a gorgeous model, their beautiful bodies. BAKERY People is all about helping our models and photographers find each other. The site is primarily intended for people living within 2 hours of the BAKERY.

Each website member is provided with the basic tools to run a portfolio by uploading .jpg images, manage e-mails and post on our forums.

Website visitors may scan the listed model's folios, and e-mail the model.

We have NO adverts, popups, frames, java, FLASH, cookies, buried links, hangover pages or annoying sounds.

## WEB VIRGINS

Even if you are a novice with the internet this website is very user friendly and everybody finds it one of the easiest sites around.

## SIGN-UP

Enrolling at BakeryPeople is a simple process, choose a username and password and enter it with a few personal details. (Please read about privacy overleaf)

User names are logged and managed as lowercase, towns are treated in the same way to facilitate listing and searching.

The website automatically creates an account and emails you a one time activation password, use this the next time you log in and then your account is permanent.

## LOGGING IN

Once signed-up, users may log in with the username and password they have chosen. Please note that you will be logged out after a short period of inactivity, you will also be logged out if you browse off the site. The site does not permit 'book-marked' pages inside the user areas.

## USERS / FOLIOS

Users fall into one of four categories: photographer, model, MUA/stylist and member - members are registered users without images such as studio owners and model agency folk who may have work available.

Anybody can view the model pictures on the site but other features such as 'searching' are limited to signed-up users.

Anybody can apply to join this website - once accepted users are expected to handle their membership in a 'professional' manner.

Users are required to provide enough personal information to permit us to check their authenticity. Users may select what information is actually shown on the site.

Models are encouraged to provide rates, and links to their own websites or other portfolio sites. Models under 18 years are required to post age-compatible images.

Each user is expected to use the 'myself' tab when logged in to upload images and organise them by rooms in their gallery.

Users can set up and manage their own portfolios with a gallery containing one or more rooms of pictures. The capacity of each room is 80 images. The maximum number of rooms is also 80.

Images must be tasteful but those showing bold nudity or extreme fetish must be marked 'adult' so that people can choose what to see.

We only accept .jpg files, outright porn will be deleted.

All images require the copyright holders name to be attached and are normalised at upload to fit inside a 768h x 1024w window.

## HOW TO FIND the BAKERY

We are located in an industrial estate called Advance Park on the B5605 in Cefn-Mawr just south of Wrexham

GPS and route details are posted on our website.

iss221005

Your images can be rotated after upload.  
You can amend titles, captions etc after upload.

Once a room is established you can sort the picture thumbnails into the order you require.

Pictures may be offered for sale by copyright holders, prices are in sterling and the seller can set the print size.

Users with folios which have no pictures are normally hidden - you can change this in 'preferences'.

Folio listings include distance from BAKERY or yourself (see prefs) last login date and sign-up date as well as important characteristics.

Who is new - you can re-arrange the order of folio thumbnails using the drop down box to list by sign-up date - latest first !

#### FINDING PEOPLE

You can find a user by entering only part of their name, Ja will find Jan, Jane, and Janet - if this fails, you are offered a 'wildcard' search, ie the site will list everyone with the entered letters somewhere in their name

#### PREFERENCES

Users can choose to view or NOT view adult images / the number of rows in the folios page / thumbnail sizes, number of rows, number of columns and picture sizes (also set automatically when changed in use) 'prefs' is under 'myself'

(Pictures will be copyright watermarked by eventually ! - this may be disabled under prefs - the colour and opacity of the watermark will be adjusted by the user)

#### EMAIL

BAKERY People provides an hidden email address service which allows messages to be sent to members with portfolios.

E-mail addresses are hidden from users via the BigLoaf AutoMail facility permitting emails to be sent to users without the sender knowing the sendee's address - this applies to all BAKERY People users.

This allows users to communicate with our members without members giving out a personal email address until they are confident about the new contact.

Email addresses are not stored on the website.

#### FORUMS

These are provided to allow the exchange of ideas and to advertise shoot opportunities and model availability. Each forum is moderated using a large amount of common sense and decency.

Users should be careful about what personal information is included in forum postings.

Spamming is not allowed. Bad language and/or unacceptable postings will be removed.

Users can edit their own posts.

#### STATS & PING

Once signed up and when logged back in you can see who is on-line at BAKERY People - sometimes people close the browser without using the 'logoff' button which we can't detect. If a user is shown as logged-on there will be a 'ping' button besides their username. You can click this and send an alert to the user suggesting you meet on the ChatLine.

#### ADULT & OVER 18's

Models shown in images which are adult in nature were all over 18 years old when photographed.

The copyright holder asserts that the model was age appropriate by allowing the upload of an image to this site.

The owners and operators of this Website are not the primary producer (as that term is defined in 18 USC section 2257) of any of the visual content contained in the Website.

Images marked adult have their surrounds coloured burgundy instead of grey, once logged in members who choose to see adult pictures can tell which are so classified by the border colour.

#### Note

The webmaster reserves the right to delete pornography or offensive posts from this site

#### VISITORS

Users have to be a website member to see images of an adult nature and you have the option to blank out such images in the 'prefs' page.

#### PRIVACY

We want to be absolutely clear on this point. We have only one policy: Your privacy is sacred for us.

The BAKERY People website stores personal information about it's users. All the data is stored on a MySQL database which is protected by a password system.

The BAKERY People database is not available to users except for the specific fields displayed in user profiles. The only emails sent to users by the website are those pertaining to the users relationship with the website - we may make occasional announcements but these can be disabled by the user. Information that has been uploaded by the user is on the clear understanding that only certain fields will be displayed for all to see. Although we retain adequate address information for the authorities we only publish the town of residence, street addresses and postcodes are kept private.

Maintenance of the website and the private data is controlled by the WebMaster.

#### TERMS

Users agree to our terms by signing up and uploading images. Copyright MUST be assigned to each image when uploaded. By uploading an image the user is confirming that an age-appropriate model was used to produce the image.

Users are required to use the default 'image=adult' flag where their picture is unsuitable for under 18's

We frown on users having their main folio picture as 'adult'.

Users who are entitled to download copies of images are advised that the best quality is when psiz=5 is in the URL address - this is also the best size to reload images to BAKERY People. The larger/smaller buttons should be used to change the value of psiz.

#### COPYRIGHT

Images on this Web site are copyrighted and may not be reproduced in any manner without written permission of the copyright holder.

#### ABUSE

We will remove accounts for those we consider ineligible users - we log IPs and all routing data.

#### BUGS & SUGGESTIONS

This site is in a great state of flux and bugs are inevitable - please use the webmaster tab to report and any polite suggestions can be sent the same way..
